ACKNOWLEDGEMENT

This project work entitled “**Waste Monitoring**” was a formidable task, but with a collective effort of our and active guidance made it possible for us to complete. First of all, we would like to thank **Prof. Dr. K.V. Kulhalli (H.O.D., Department of Computer Science)** delineating us with this project work.

We would also like to thank him for the support and interest that has shown in bringing out this project and our course coordinator **Prof. A. S. Yadav** for their guidance and cooperation. We would also like to express our most humble and deepest gratitude to **Prof. K. T. Mane** for providing us with the right guidance at the time of need it was for her presence and active guidance that we were able to complete the project work.

We would like to thank all our friends for their help, ideas, criticisms and also their encouragements for preparation of this project work. Any further ideas and constructive criticisms on our work shall be highly welcomed.
